KEEPS PROTECTING YOUR ENVIRONMENT FOR UP TO 30 DAYS!

The Natural, Non-Toxic Way To Clean, Sanitize, & Disinfect Your Environment!

NANOBLEASTER PRO™ ALL PURPOSE CLEANER is a powerful but gentle concentrated formula that creates a unique hydrocarbon release agent that lifts oils, dirt, grease, grime, dust and stains without damaging or reacting with the surface being cleaned.

NANOBLEASTER PRO™ effectively **KILLS 99.99% of all Germs, Bacteria, Fungus, Mold, Mildew, & Viruses, including the Coronavirus**, and is safe to use on all non-porous surfaces including floors, countertops, cabinets, appliances, tile, cement, stone, porcelain, ceramic, wood, metals, plastics, fabrics, concrete, faux finishes & food surfaces. Unlike most cleaners and disinfectants **NANOBLEASTER PRO™** leaves no toxic residue. So now your carpets, furniture and walls are rid of harmful pathogens & toxic residue, plus your entire facility is now a toxic free environment!!

NANOBLEASTER PRO™ is the ideal solution for hospitals & healthcare centers, offices & schools, restaurants & hotels, manufacturing & food processing facilities and everywhere else people gather.

NANOBLEASTER PRO™ ingredients meet criteria for the US EPA Design for the Environment Program and the Safer Detergents Stewardship initiative, and contain NO harmful or toxic chemicals including: Chlorine, Ammonia & Biocides.
